Australian and International
Award-Winning Documentary

Sacred Ground

In the lucky country, 40,000 years of ancient
heritage and culture is being swept away

- "One of the year's most significant and deeply moving Aboriginal films"
- "Multi-International award winning documentary - 5 years in the making"
- "A unique Australian film - there are no other Australian films like it"
- "Critically acclaimed true story - an Aboriginal world rarely seen or heard"
